2. PURPOSE OF REQUEST FOR PROPOSALS

The Puget Sound Joint Purchasing Cooperative (PSJPC) is initiating this Request for Proposals (RFP) to solicit proposals to establish contracts for the processing of USDA American Cheese and commercial equivalents.

3. BACKGROUND

This is a bid solicitation for Processed Donated USDA Foods to be used in Child Nutrition programs. The contract purchasers will be with member districts of the PSJPC. Distribution to member districts will be through the current awarded distribution agent of the PSJPC. PSJPC has over 130-member school districts and serves over 66,000,000 meals per school year. PSJPC member districts account for approximately 60% of the participation (ADP) in the State of Washington.

4. OBJECTIVE AND SCOPE OF WORK

The intent of this RFP is to capture items manufactured from USDA Commodity Foods by USDA approved processors. Items must be available via Net off Invoice (NOI) or Fee for Service (FFS)

through our awarded distributor, currently US Foods (USF). However, Local Education Agencies (LEA) that have the capacity to receive direct shipments and can meet vendor minimum shipment requirements will be eligible to utilize this agreement for direct shipment.

PSJPC reserves the right to modify this Contract by agreement between PSJPC and the Contractor, so long as such modification is not more than 10% of the estimated Contract value. The awards will be based on the market basket items listed in the Bid Specifications (see Appendix D). Member districts that divert commodities to an awarded vendor may use entitlement value for any of that manufacturer's products that are on a National Processing Agreement (NPA) with the USDA and approved by the State of Washington. Awarded contractors must provide bid pricing on all NPA products using the commodity diverted for the contract period.

OSPI Food Distribution will allocate the USDA Foods to be used in the manufacturing process.

5. VENDOR QUALIFICATIONS

All vendors for School Year 2024-2025 shall be approved for processing by USDA with a National Processing Agreement (NPA) or a USDA approved In-State processor agreement for the State of Washington. Either agreement must be on file and approved by OSPI (Exhibit F). Vendor must have an established contract with either K12Foodservice or Processor Link to track entitlement balances.

PSJPC reserves the right to reject proposals submitted by any source other than the above mentioned.

6. PERIOD OF PERFORMANCE

The period of performance of any contract resulting from this RFP is tentatively scheduled to begin on July 1, 2024 and end on June 30, 2025. The option to extend any contract resulting from this procurement shall be at the sole discretion of PSJPC.

As such, PSJPC reserves the right to amend to extend the contract for four (4) additional contract years through 2025-2026, 2026-2027, 2027-2028 and 2028-2029 unless an emergency exists and/or special circumstances require a partial term extension. Decision to amend shall be based on sustained satisfactory performance, successful completion of project objectives, and availability of funding as decided by the PSJPC's designee.

Successful Vendors shall be required to attend the Annual food shows in conjunction with OSPI, WSNA, SNA or PSJPC meetings as requested. Additional services that are appropriate to the scope of this RFP, as determined by PSJPC, may be added to the resulting contract by a written amendment mutually agreed to and executed by both parties.

7. FUNDING

PSJPC has estimated that the total contract value of this RFP is approximately one million (\$1,500,000) dollars. Products will be ordered either through our awarded distributor or directly by member districts.

8. SPECIFICATIONS

See Appendix D for guidelines on Specifications. Should any additional federal or governing agency regulations be imposed affecting the processing of USDA Commodity products, PSJPC retains the option to amend specifications to meet the additional requirements.

9. PAYMENT TERMS

Items shipped to our distributor will be paid for by the PSJPC awarded distributor. Member districts requesting direct delivery, will issue a purchase order for payment. Direct shipments should be the vendors most favorable terms and FOB destination. Payment terms shall not be less than 30 days net unless prompt payment discount is offered and accepted. Proposals shall include Vendor's most favorable and competitive cost estimate.

10. AMERICANS WITH DISABILITIES ACT

PSJPC complies with the Americans with Disabilities Act (ADA). Consultants may contact the RFP Coordinator to receive this RFP in an alternative format.

11. BUY AMERICAN

Proposer will comply with the Buy American Provision, which dictates that Schools participating in the federal school meal programs are required to purchase domestic commodities and products for school meals to the maximum extent practicable. Domestic commodity or product means an agricultural commodity that is produced in the US and a food product that is processed in the US substantially using agricultural commodities that are produced in the US. Substantially means that over 51% of the final processed product (by weight or volume) must consist of agricultural commodities that were grown domestically. (7CFR 250.23 (a)(b), 250.17 (e)), (7CFR 210.21 (d)).

12. FEDERAL RESTRICTIONS ON LOBBYING

The Proposer must certify by signing and submitting the Proposer's Authorized Offer page of this RFP with submission of its Proposal, that under the requirements of Lobbying Disclosure Act, 2 U.S.C., Section 1601 et seq., (2CFR 200.326 (i)), no Federal appropriated funds have been paid or will be paid, by or on behalf of the contractor, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

13. DEBARMENT AND SUSPENSION

14. FOOD SAFETY/REGULATIONS

Proposer shall operate in accordance with all applicable laws, ordinances, regulations, and rules of federal, state and local authorities. Proposer must be in compliance with all USDA HACCP laws. District officials may inspect Vendor's facilities for the above compliances.

Upon request from District, Vendor shall provide:

- Letter of guarantee of compliance with food laws.
- Latest facility inspection forms and comments from applicable federal, state, and local agencies.
- Procedures for food safety and sanitation, including procedures used for product holds

15. PRODUCT RECALLS

If a product recall is instituted on an item that has been furnished and delivered to school site locations, the Vendor must immediately notify the Nutrition Services Department along with the PSJPC Executive Director with all pertinent information regarding the recall

4. COMPLAINT PROCEDURE

The complaint process is available to Consultants interested in this RFP. The complaint process allows Consultants to focus on the Solicitation requirements and evaluation process and raise issues with these processes early enough in the process to allow PSJPC to correct a problem before proposals are submitted and time expended on evaluations.

A Consultant may submit a complaint based on any of the following:

- The Solicitation unnecessarily restricts competition;
- The Solicitation evaluation or scoring process is unfair or flawed; or
- The Solicitation requirements are inadequate or insufficient to prepare a proposal.

Consultants may submit complaints up to five (5) business days prior to the Proposal due date noted in the Estimated Schedule of Procurement Activities. However, Consultants are encouraged to submit complaints as soon as possible so PSJPC can rectify the issue(s) early in the process. Complaints must be submitted to the RFP Coordinator. In order to be considered a valid complaint, the complaint must meet the following requirements:

- Must be in writing.
- Should clearly articulate the basis for the complaint.
- Should include a proposed remedy.
- Submitted via email to the RFP Coordinator

Complaints not received by the deadline indicated in the Estimated Schedule of Procurement Activities, will not be reviewed by PSJPC. Vendors who fail to raise a complaint at this stage may waive its right for later consideration.

The RFP Coordinator and PSJPC Executive Board will review valid complaints and respond to the petitioner in writing. PSJPC will consider all complaints but is not required to adopt a complaint, in part or in full. PSJPC's response to the complaint is final and not subject to appeal. The response, and any changes to the RFP, will be posted at www.pugetsoundcoop.org, prior to the proposal due date. Any complaint addressed during the complaint process cannot be raised during the protest process.

5. SUBMISSION OF PROPOSALS

Vendors shall submit proposals as an attachment to an email addressed to the RFP Coordinator, mark.campbell@pugetsoundcoop.org, as indicated in Section B1 (type RFP #1-202324 in the email subject line.) Attachments to the email shall be a Microsoft Word or Portable Document Format (PDF) document. Zipped files may be received by PSJPC and can be used for submission of proposals. PSJPC does not assume responsibility for any problems with the electronic delivery of

materials. ***Proposals must be received by the RFP Coordinator by 3:00 p.m. (PDT) on Wednesday, October 11, 2023***

Proposals not received by the deadline will not be reviewed. Late proposals will not be accepted and will be automatically disqualified from further consideration. Proposals must respond to the procurement requirements. Referring to material presented elsewhere is not considered a response. The proposal must be complete and must stand on its own merits.

Failure to respond to any portion of the procurement document may result in rejection of the proposal as non-responsive. All proposals and any accompanying documentation become the property of PSJPC and will not be returned.

6. WITHDRAWAL/MODIFICATION

Vendors are liable for all errors or omissions contained in their Responses. The Vendor may modify or withdraw his/her Proposal at any time prior to the due date and time set for Proposal opening by providing a written request to the RFP Coordinator from an authorized representative of the Vendor.

After Proposal opening: No Proposal shall be altered or amended. PSJPC may allow a Proposal to be withdrawn if the Vendor demonstrates that the prices were miscalculated. A low Proposer, who claims error and fails to enter into a contract with the PSJPC, may not submit a response to a subsequent RFP reissued by PSJPC for processing of the same USDA commodity.

PSJPC reserves the right to contact Proposer for clarification of Response contents.

Section D. EVALUATION AND CONTRACT AWARD

1. EVALUATION PROCEDURE

Responsive proposals will be evaluated strictly in accordance with the requirements stated in this RFP and any addenda issued. The evaluation of proposals shall be accomplished by an evaluation team, to be designated by PSJPC, which will determine the ranking of the proposals.

2. AWARD CRITERIA

The Award will be based on the total evaluation points by item and the Vendor's ability to meet the required product specifications listed in the proposal including past performance and reference responses. Total acquisition cost includes, but is not limited to, price, delivery, service, contract administration and terms of payment. Vendor will indicate each cost for items shown in Appendix E Price Worksheet.

Contract award shall be made to the Highest Scored Responsive and Responsible Vendor based on the evaluation and award criteria established herein and subject to consideration of all factors identified in RCW 43.19.1911. PSJPC may award line items to multiple vendors. Vendors whose proposals are determined to be non-responsive will be rejected and will be notified of the reasons for such rejection.

Subject to the provisions of RCW 43.19.1911 and Chapter 236-48 WAC, PSJPC reserves the right to: (1) Waive any informality; (2) Reject any or all Proposals, or portions thereof; (3) Accept any portion of the items proposed unless the Vendor stipulates all or nothing in their Proposal; (4) Cancel a solicitation and re-solicit Proposals; (5) Negotiate with the lowest Responsive and Responsible Vendor to determine if the proposal can be improved for the Purchaser; (6) Award in aggregate when in the best interest of PSJPC.

In the event an awarded contractor cannot fulfill purchase orders submitted, PSJPC reserves the right to re-award a contract to the next highest scored Vendor.

3. EVALUATION PROCESS AND SCORING

The following points will be assigned to the proposals for evaluation purposes.

A. Initial Determination of Responsiveness

Responses will be reviewed initially by the RFP Coordinator to determine on a pass/fail basis compliance with administrative requirements as specified herein. Evaluation teams will only evaluate Responses meeting these requirements.

Responses meeting the Initial Determination of Responsiveness will then be reviewed on a pass/fail basis to determine if the Response meets the Mandatory requirements. Only responses meeting all Mandatory requirements will be further evaluated.

PSJPC reserves the right to determine at its sole discretion whether Vendor's Response to a Mandatory requirement is sufficient to pass. If, however, all responding Vendors fail to meet any single Mandatory item, PSJPC may cancel the solicitation and reject all proposal

B. Responsiveness Evaluation

Only Responses that pass the Initial Determination of Responsiveness review will be evaluated based on the requirements in this Solicitation.

Pursuant to RCW 43.19.1911 (9), in determining Vendor responsibility, the following elements shall be given consideration:

- a) The ability, capacity, and skill of the Vendor to perform the contract or provide the service required (fulfillment of purchase orders);
- b) The character, integrity, reputation, judgment, experience, and efficiency of the Vendor;
- c) Whether the Vendor can perform the contract within the time specified (fulfillment of purchase orders);
- d) The quality of performance of previous contracts or services;
- e) The previous and existing compliance by the Vendor with laws relating to the contract or services;
- f) Such other information as may be secured having a bearing on the decision to award the contract;
- g) Close adherence to the food specifications as indicated in Appendix D, Specifications.

During Response evaluation, PSJPC reserves the right to make reasonable inquiry to determine the responsibility of any Vendor. Requests may include, but are not limited to, financial statements, credit ratings, references, record of past performance, clarification of Vendor's offer, and on-site inspection of Vendor's or Vendor's subcontractor's facilities. Failure to respond to said request(s) may result in Response being rejected as non-responsive.

C. Scoring

The following criteria describe how the evaluation and award process will be conducted for the Award of the Processed Donated USDA Foods for the Puget Sound Joint Purchasing Cooperative (PSJPC)

The Award will be based on the total acquisition cost and evaluation points by item, group of items or aggregate total (category) depending on what is deemed by PSJPC to be in the best interest of member districts.

The categories for scoring purposes are as follows

- 1 - Cheese: Cubes, Sticks, Slices and Shred
- 2 - Cheese: Individual Portion Cups and Pouches
- 3 - Cheese: Sandwiches and Entrees

Scores will be totaled to determine successful vendor(s).

Criteria for scoring shall be:

- a) **General Specifications/Nutritionals** – (please see Appendix D, Specifications)
Pass / Fail on listed areas.
- b) **Business Stability/References – 15 Points possible**

PSJPC will evaluate all submissions and award points based on reference checks and historical performance of vendor.

c) **Price – 55 Points possible** (scored by PSJPC RFP Coordinator or designee)

Cost per serving and/or cost per ounce will be used in the evaluation process to determine lowest competitive pricing. The scoring chart below will be used for each of the items on this solicitation.

Vendor/Processor	Vendor item ID Code	Description Example: Cheese Sauce	Cost per Serving	Points Awarded
			Lowest cost per/serving	55 pts
			Second lowest cost per serving	50 pts
			Third lowest cost per serving	45 pts

Vendor/Process or	Vendor item ID Code	Description Example: Cheese Sauce	Taste Testing	Points Awarded
			Highest taste test score	45 pts
			Second highest taste test score	40 pts
			Third highest taste test score	35 pts
			Fourth highest taste test score	30 pts
			Fifth highest taste test score	25 pts
			Sixth highest taste test score	20 pts
			Seventh highest taste test score	15 pts

If two or more vendors' scores are exactly equal, the award will be offered to the vendor whose products are the most advantageous for National School Lunch and School Breakfast Program menu planning purposes.

D. PREFERENCE RELATED TO POLYCHLORINATED BIPHENYLS

Polychlorinated biphenyls, commonly known as PCBs have adverse effects on human health and the environment. Accordingly, The State of Washington through its procurement of goods is trying to minimize the purchase of products with PCBs and to incentivize its vendors to sell products and products in packaging without them.

Vendors will be required to submit a Contractor Certification Preference (Exhibit G - Polychlorinated Biphenyls Certification) on a yearly basis, prior to contract renewal (July 1). Vendor must ensure the product or products still maintain the same levels of PCBs throughout the term of the contract. A variance of +/- 50% from original results may be allowed. If product(s) is/are found to contain PCBs during the life of the contract, product is subject to removal from the PSJPC approved product list until corrected.

4. SELECTION OF APPARENT SUCCESSFUL BIDDER

PSJPC reserves the right to award the contract to the Bidder whose proposal is deemed to be in the best interest of and most advantageous to PSJPC and its members. The selected bidder will be declared the Apparent Successful Bidder (ASB).

The date of announcement of the ASB will be the date the announcement is emailed. The PSJPC will enter into contract negotiations with the ASB. Should contract negotiations fail to be completed within two (2) weeks after initiation, the PSJPC may immediately cease contract negotiations declare the Bidder with the second highest score as the new ASB and enter into contract negotiations with that Bidder. This process will continue until the Contracts are signed or no qualified Bidders remain.

5. NOTIFICATION TO VENDORS

Proposals that have not been selected for further negotiation or award will be notified via email by the RFP Coordinator.

6. DEBRIEFING OF UNSUCCESSFUL VENDORS

Upon request, an individual debriefing conference will be scheduled with an unsuccessful Vendor. The request for a debriefing conference must be received by the RFP Coordinator within three (3) business days after the Notification of Unsuccessful Vendor email is sent to the Consultant. The debriefing must be held within three (3) business days of the request, unless otherwise agreed upon by the RFP Coordinator and Vendor.

Discussion will be limited to a critique of the requesting Consultant's proposal. Comparisons between proposals or evaluations of the other proposals will not be allowed. Debriefing conferences may be conducted by virtual conference call and will be scheduled for a maximum of thirty minutes.

Please note, because the debrief process must occur before making an award, PSJPC likely will schedule the Debrief Conference shortly after the announcement of the ASV and the Vendor's request for a Debrief Conference. PSJPC will not allow the debrief process to delay the award. Therefore, Vendors should plan for contingencies and alternate representatives; Vendors who are unwilling or unable to attend the Debrief Conference will lose the opportunity to protest.

7. PROTEST PROCEDURE

This protest procedure is available to Consultants who submitted a response to this RFP document and who have participated in a debriefing conference. Upon completion of the debriefing conference, the Consultant is allowed five (5) business days to file a protest of the procurement with the RFP Coordinator. Protests must be submitted by email, and must be followed by an original, signed document.

Consultants protesting this procurement shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to Consultants under this procurement.

All protests must be in writing and signed by the protesting party or an authorized Agent. The protest must state the grounds for the protest including specific facts and complete statements of the action(s) being protested. The protesting party may submit with the protest any documents or information deemed relevant. A description of the relief or corrective action being requested should also be included. All protests shall be addressed to the RFP Coordinator.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination or conflict of interest on the part of the evaluator/evaluation team;
- Errors in computing the score; and/or
- Non-compliance with procedures described in the procurement document or PSJPC policy.

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) an evaluator's professional judgment on the quality of a proposal, 2) PSJPC's assessment of its own and/or other agencies needs or requirements, or 3) a complaint raised during the Complaint Procedure.

Upon receipt of a protest, a protest review will be held by PSJPC. The PSJPC Board, RFP Coordinator or a designee who was not involved in the procurement will consider the record and all available facts and issue a decision within ten (10) business days of receipt of the protest. If additional time is required, the protesting party will be notified.

In the event a protest may affect the interest of another Consultant that submitted a proposal, such Consultant will be given an opportunity to submit its views and any relevant information on the protest to the RFP Coordinator.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold PSJPC's action; or
- Find only technical or harmless errors in PSJPC's procurement process and determine PSJPC to be in substantial compliance and reject the protest; or
- Find merit in the protest and provide PSJPC options which may include:

- Correct the errors and re-evaluate all proposals, and/or
- Reissue the RFP document and begin a new process, or
- Make other findings and determine other courses of action as appropriate.

If PSJPC determines that the protest is without merit, PSJPC will enter into a contract with the Apparent Successful Vendor. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken.

18. BUY AMERICAN

Bidder will comply with the Buy American requirement, which dictates that schools participating in the federal school lunch programs are required to purchase domestic commodities and products for school meals to the maximum extent practicable. Domestic commodity or product means an agricultural commodity that is produced in the US and a food product that is processed in the US substantially (at least 51%) using agricultural commodities that are produced in the US (7 CFR 250.33 (a)(b), 250.17 (e)).

Awarded Vendor will provide information on products' origin. The distributor will ensure that products offered to PSJPC will be American, to the maximum extent practicable, and marked as American in the ordering system.

CERTIFICATION REGARDING "BUY AMERICAN" REQUIREMENTS

Section 104 (d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 requires SFAs to purchase domestically grown and processed foods, to the maximum extent practicable. There is a two-part test to define the country of origin for a manufactured end product: (1) the article must be manufactured in the United States; and (2) the cost of domestic components must exceed 50 percent of the cost of all the components.

We request that suppliers certify the percentage of U.S. content in products supplied to us according to the two-part test above.

On the product bid document please put an X in the column marked "Not American" if the item you are bidding is not of American origin.

Two situations may warrant a waiver to permit purchases of foreign food products.

- 1) The product is not produced or manufactured in the U.S. in sufficient and reasonable available quantities of a satisfactory quality.
- 2) Competitive bids reveal the cost of a U.S. product is significantly higher than the foreign product.

By signing below the distributor indicates all products not marked with an X in the bid documents are of American origin."

"We certify that our food products were manufactured in the United States and have at least 51% U.S. contents."

The Contractor agrees to release such information or material only to employees and agents who have signed a written agreement expressly prohibiting disclosure.

- 14. Covenant Against Contingent Fees.** The Contractor warrants that no person or selling agent has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees or bona fide established agent maintained by the Contractor for the purpose of securing business. - 17. Ethical Conduct.** Neither the Contractor nor any employee or agent of the Contractor shall participate in the performance of any duty or service in whole or part under this Contract in violation of, or in a manner that violates any provision of the Ethics in Public Service law at Chapter 42.52 RCW, RCW 42.17A.550, RCW 42.17A.555, and RCW 41.06.250 prohibiting the use of public resources for political purposes.

Additionally, manufacture, shipment and delivery are subject to any prohibition, restriction, priority allocation regulation or condition imposed by or on behalf of the United States of America or any other governmental body with appropriate jurisdiction which may prevent or interfere with fulfillment of any order.

19. Governing Law and Venue. This Contract shall be construed and interpreted in accordance with the laws of the State of Washington and the venue of any action brought hereunder shall be in Superior Court for Pierce County.

20. Indemnification. To the fullest extent permitted by law, Contractor shall indemnify, defend and hold harmless the PSJPC and all officials, agents, and employees of the PSJPC, from and against all claims for injuries or death arising out of or resulting from the performance of this Contract. "Claim" as used in this Contract, means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or destruction of tangible property including loss of use resulting therefrom. Additionally, "claims" shall include but not be limited to, assertions that the use or transfer of any software, book, document, report, film, tape or sound reproduction or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, or otherwise results in an unfair trade practice or in unlawful restraint of competition.

Contractor expressly agrees to indemnify, defend, and hold harmless the PSJPC for any and all claims, costs, charges, penalties, demands, losses, liabilities, damages, judgments, or fines out of or incident to Contractor's or subcontractor's performance or failure to perform the Contract. Each party to this Contract shall be responsible for its own acts and/or omissions and those of its officers, employees and agents. No party to this Contract shall be responsible for the acts and/or omissions of the entities or individuals not a party to this contract. For the avoidance of doubt, Contractor shall not be responsible for damage or liability resulting from (i) a product becoming adulterated or misbranded after such product has left Contractor's control, (ii) the PSJPC's refusal to cooperate with Contractor in the investigation or defense of a claim covered hereunder, (iii) Contractor agreeing to settle a claim covered hereunder without Contractor's written consent, or (iv) products being resold by the PSJPC other than in the ordinary course of business.

Contractor waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend and hold harmless PSJPC and its agents, employees, or officials.

21. Independent Capacity of the Contractor. The parties intend that an independent Contractor relationship will be created by this Contract. The Contractor and his/her employees or agents performing under this Contract are not employees or agents of the PSJPC. The Contractor will not hold himself/herself out as nor claim to be an officer or employee of the PSJPC by reason hereof, nor will the Contractor make any claim or right, privilege, or benefit which would accrue to such employee under law. Conduct and control of the work will be solely with the Contractor.

22. Insurance.

a. **Worker's Compensation Coverage.** The Contractor shall at all times comply with all applicable worker's compensation, occupational disease, and occupational health and safety laws, statutes, and regulations to the fullest extent applicable. Such worker's compensation and occupational disease requirements shall include coverage for all employees of the Contractor, and for all employees of any subcontract retained by

the Contractor, suffering bodily injury (including death) by accident or disease, which arises out of or in connection with the performance of this Contract. Satisfaction of these requirements shall include, but shall not be limited to:

- 1) Full participation in any required governmental occupational injury and/or disease insurance program, to the extent participation in such a program is mandatory in any jurisdiction;
- 2) Purchase worker's compensation and occupational disease insurance benefits to employees in full compliance with all applicable laws, statutes, and regulations, but only to the extent such coverage is not provided under mandatory governmental program in "a" above, and/or;
- 3) Maintenance of a legally permitted and governmentally approved program of self-insurance for worker's compensation and occupational disease.

Except to the extent prohibited by law, the program of the Contractor's compliance with worker's compensation and occupational disease laws, statutes, and regulations in 1), 2), and 3) above shall provide for a full waiver of rights of subrogation against the PSJPC, its directors, officers, and employees.

If the Contractor, or any subcontractor retained by the Contractor, fails to effect and maintain a program of compliance with applicable worker's compensation and occupational disease laws, statutes, and regulations and the PSJPC incurs fines or is required by law to provide benefits to such employees, to obtain coverage for such employees, the Contractor will indemnify the PSJPC for such fines, payment of benefits to Contractor or subcontractor employees or their heirs or legal representatives, and/or the cost of effecting coverage on behalf of such employees. Any amount owed the PSJPC by the Contractor pursuant to the indemnity may be deducted from any payments owed by the PSJPC to the Contractor for the performance of this Contract.

- b. **Automobile Insurance.** In the event that services delivered pursuant to this Contract involve the use of vehicles, owned or operated by the Contractor, automobile liability insurance shall be required. The minimum limit for automobile liability is:

\$1,000,000 per occurrence, using a Combined Single Limit for bodily injury and property damage.

- c. **Business Automobile Insurance.** In the event that services performed under this Contract involve the use of vehicles or the transportation of clients, automobile liability insurance shall be required. If Contractor-owned personal vehicles are used, a Business Automobile policy covering a minimum Code 2 "owned autos only" must be secured. If the Contractor's employees' vehicles are used, the Contractor must also include under the Business Automobile policy Code 9, coverage for "non-owned autos." The minimum limits for automobile liability is:

This insurance shall cover such claims as may be caused by any act, omission, or negligence of the Contractor or its officers, agents, representatives, assigns or servants. The limits of liability insurance, which may be increased from time to time as deemed necessary by the PSJPC, with the approval of the Contractor (which shall not be unreasonably withheld), shall not be less than as follows:

General Aggregate Limits (other than products completed operations)	\$2,000,000
Products-Completed Operations Limit	\$2,000,000
Personal and Advertising Injury Limit	\$1,000,000

e. **Additional Insured.** The Puget Sound Joint Purchasing Cooperative shall be specifically named as an additional insured on all policies except for liability insurance on privately-owned vehicles, and all policies shall be primary to any other valid and collectible insurance. The PSJPC may waive this requirement at its discretion. Policies and certificates of insurance shall include the contract reference number.

f. **Proof of Insurance.** Certificates and or evidence satisfactory to the PSJPC confirming the existence, terms and conditions of all insurance required above shall be delivered to the PSJPC within five (5) days of the Contractor's receipt of Authorization to Proceed.

g. **General Insurance Requirements.** Contractor shall, at all times during the term of the Contract and at its cost and expense, buy and maintain insurance of the types and amounts listed above. Failure to buy and maintain the required insurance may result in the termination of the Contract at the PSJPC's option. By requiring insurance herein, PSJPC does not represent that coverage and limits will be adequate to protect Contractor and such coverage and limits shall not limit Contractor's liability under the indemnities and reimbursements granted to the PSJPC in this Contract.

Contractor shall include all subcontractors as insureds under all required insurance policies or shall furnish proof of insurance and endorsements for each subcontractor. Subcontractor(s) must comply fully with all insurance requirements stated herein. Failure of subcontractor(s) to comply with insurance requirements does not limit Contractor's liability or responsibility.

23. Licensing and Accreditation Standards. The Contractor shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements/standards, necessary to the performance of this Contract.

24. Limitation of Authority. Only the PSJPC or the PSJPC's delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Contract. Furthermore, any

alteration, amendment, modification, or waiver or any clause or condition of this Contract is not effective or binding unless made in writing and signed by the PSJPC.

25. Non-Discrimination. The Contractor shall comply with all the federal and state nondiscrimination laws, regulations and policies, which are otherwise applicable to the PSJPC. Accordingly, no person shall, on the ground of sex, race, creed, religion, color, national origin, marital status, families with children, age, veteran or military status, sexual orientation, gender expression, gender identity, disability, or the use of a trained dog guide or service animal, be unlawfully excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any activity performed by the Contractor and its agents under this Contract. The Contractor shall notify the PSJPC immediately of any allegations, claims, disputes, or challenges made against it under non-discrimination laws, regulations, or policies, or under the Americans with Disabilities Act. In the event of the Contractor's noncompliance or refusal to comply with this nondiscrimination provision, this Contract may be rescinded, cancelled or terminated in whole or part, and the Contractor may be declared ineligible for further contracts with the PSJPC.

26. Commodity accounts of member districts. Contractor shall refund to PSJPC member districts the full amount of any commodity balance left at the contractor due to production or other contractor issues such that member districts are unable to buy products to bring down their diverted commodities prior to June 30th of each year. If Contractor fails to make a prompt refund, PSJPC districts may charge Contractor one percent (1%) per month on the amount due until paid in full.

27. Payments. No payments in advance or in anticipation of services or supplies to be provided under this Contract shall be made by either the PSJPC awarded distributor or a member district. All payments to the Contractor are conditioned upon (1) Contractor's submission of a properly executed and supported voucher for payment, including such supporting documentation of performance and supporting documentation of costs incurred or paid, or both as is otherwise provided for in the body of this Contract under Duties of the PSJPC.

All expenses necessary to the Contractor's performance of this Contract not specifically mentioned in the Contract shall be borne in full by the Contractor.

28. Public Disclosure. Contractor acknowledges that the PSJPC is subject to the Washington State Public Records Act, Chapter 42.56 RCW, and that this Contract shall be a public record as defined in 42.56 RCW. Any specific information that is claimed by the Contractor to be confidential or proprietary must be clearly identified as such by the Contractor. To the extent consistent with chapter 42.56 RCW, the PSJPC shall maintain the confidentiality of all such information marked confidential or proprietary. If a request is made to view the Contractor's information, the PSJPC will notify the Contractor of the request and the date that such records will be released to the requester unless Contractor obtains a court order enjoining that disclosure. If the Contractor fails to obtain the court order enjoining disclosure, the PSJPC will release the requested information on the date specified.

29. Publicity. The Contractor agrees to submit to the PSJPC all advertising and publicity matters relating to this Contract which in the PSJPC's judgment, PSJPC's name can be implied or is specifically mentioned. The Contractor agrees not to publish or use such advertising and publicity matters without the prior written consent of the PSJPC.

30. Registration with Department of Revenue. The Contractor shall complete registration with the Department of Revenue and be responsible for payment of all taxes due on payments made under this Contract.

31. Records Maintenance. The Contractor shall maintain all books, records, documents, data and other evidence relating to this Contract and performance of the services described herein, including but not limited to accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Contract. Contractor shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the Contract, shall be subject at all reasonable times to inspection, review or audit by the PSJPC, personnel duly authorized by the PSJPC, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

32. Right of Inspection. The Contractor shall provide right of access to its facilities to the PSJPC or any of its officers at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Contract on behalf of the PSJPC. All inspections and evaluations shall be performed in such a manner that will not unduly interfere with the Contractor's business or work hereunder.

33. Severability. The provisions of this Contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Contract.

34. Site Security. While on PSJPC member district or distributor premises, Contractor, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

35. Subcontracting. Neither the Contractor nor any subcontractor shall enter into subcontracts for any of the work contemplated under this Contract without obtaining prior written approval of the PSJPC. Contractor is responsible to ensure that all terms, conditions, assurances and certifications set forth in this Contract are included in any and all Subcontracts. In no event shall the existence of the subcontract operate to release or reduce liability of the Contractor to the PSJPC for any breach in the performance of the Contractor's duties. This clause does not include contracts of employment between the Contractor and personnel assigned to work under this Contract.

If, at any time during the progress of the work, the PSJPC determines in its sole judgment that any subcontractor is incompetent, the PSJPC shall notify the Contractor, and the Contractor shall take immediate steps to terminate the subcontractor's involvement in the work. The rejection or approval by the PSJPC of any subcontractor or the termination of a subcontractor shall not relieve the Contractor of any of its responsibilities under the Contract, nor be the basis for additional charges to the PSJPC.

- 36. Taxes.** All payments accrued on account of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for the Contractor or its staff shall be the sole responsibility of the Contractor.
- 37. Termination for Convenience.** Except as otherwise provided in this Contract, the PSJPC or PSJPC's Designee may, by ten (10) days written notice, beginning on the second day after the mailing, terminate this Contract in whole or in part. The notice shall specify the date of termination and shall be conclusively deemed to have been delivered to and received by the Contractor as of midnight the second day of mailing in the absence of proof of actual delivery to and receipt by the Contractor. If this Contract is so terminated, the PSJPC shall be liable only for payment required under the terms of the Contract for services rendered or goods delivered prior to the effective date of termination.
- 38. Termination for Default.** In the event the PSJPC determines the Contractor has failed to comply with the conditions of this Contract in a timely manner, the PSJPC has the right to suspend or terminate this Contract. The PSJPC shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within thirty (30) days, the Contract may be terminated. The PSJPC reserves the right to suspend all or part of the Contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Contractor or a decision by the PSJPC to terminate the Contract. In the event of termination, the Contractor shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original Contract and the replacement or cover Contract and all administrative costs directly related to the replacement Contract, e.g., cost of the competitive bidding, mailing, advertising and staff time. The termination shall be deemed to be a "Termination for Convenience" if it is determined that the Contractor: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence. The rights and remedies of the PSJPC provided in this Contract are not exclusive and are in addition to any other rights and remedies provided by law.
- 39. Termination Due to Funding Limitations or Contract Renegotiation, Suspension.** In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Contract and prior to normal completion of this Contract, with the notice specified below and without liability for damages:
- a. At PSJPC's discretion, the PSJPC may give written notice of intent to renegotiate the Contract under the revised funding conditions.
 - b. At PSJPC's discretion, the PSJPC may give written notice to Contractor to suspend performance when PSJPC determines there is reasonable likelihood that the funding insufficiency may be resolved in a timeframe that would allow Contractor's performance to be resumed.
 - (1) During the period of suspension of performance, each party will inform the other of any conditions that may reasonably affect the potential for resumption of performance.

- (2) When PSJPC determines that the funding insufficiency is resolved, it will give the Contractor written notice to resume performance, and Contractor shall resume performance.
 - (3) Upon the receipt of notice under b. (2), if Contractor is unable to resume performance of this Contract or if the Contractor's proposed resumption date is not acceptable to PSJPC and an acceptable date cannot be negotiated, PSJPC may terminate the Contract by giving written notice to the Contractor. The parties agree that the Contract will be terminated retroactive to the date of the notice of suspension. PSJPC shall be liable only for payment in accordance with the terms of this Contract for services rendered prior to the retroactive date of termination.
- c. PSJPC may immediately terminate this Contract by providing written notice to the Contractor. The termination shall be effective on the date specified in the termination notice. PSJPC shall be liable only for payment in accordance with the terms of this Contract for services rendered prior to the effective date of termination. No penalty shall accrue to PSJPC in the event the termination option in this section is exercised.
- d. For purposes of this section, "written notice" may include email.

40. Termination Procedure. Upon termination of this Contract the PSJPC, in addition to other rights provided in this Contract, may require the Contractor to deliver to the PSJPC awarded distributor or member districts any property specifically produced or acquired for the performance of such part of this Contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

The PSJPC awarded distributor or member districts shall pay to the Contractor the agreed upon price, if separately stated, for completed work and services accepted by the PSJPC and the amount agreed upon by the Contractor and the PSJPC for (a) completed work and services for which no separate price is stated, (b) partially completed work and services, (c) other property or services which are accepted by the PSJPC, and (d) the protection and preservation of the property, unless the termination is for default, in which case the PSJPC shall determine the extent of the liability. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause for this Contract. The PSJPC may withhold from any amounts due to the Contractor such sum as the PSJPC determines to be necessary to protect the PSJPC against potential loss or liability.

The rights and remedies of the PSJPC provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law under this Contract.

After receipt of a notice of termination, and except as otherwise directed by the PSJPC, the Contractor shall:

- a. Stop work under this Contract on the date and to the extent specified, in the notice;
- b. Place no further orders or subcontractors for materials, services or facilities except as may be necessary for completion of such portion of the work under the Contract that is not terminated;

- c. Assign to the PSJPC, in the manner, at the times, and to the extent directed by the PSJPC, all rights, title, and interest of the Contractor under the orders and subcontracts in which case the PSJPC has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;
